

Call Alert: March 25, 2020

To act in accordance with Mayor Nirenberg's "Stay at Home" order due to the Coronavirus, The School of Excellence in Education is extending the Remote Learning time period to April 24th. Each campus will contact parents with the locations for the Student Packet Returns on Monday, March 30th. The meal kits will also be delivered on Monday for the families that made the requests. Working together we can make sure that students are successful, so thank you for making sure that your child follows a schedule and completes assignments. Do not hesitate to contact your child's teacher if needed. Please follow the recommended health guidelines for protection and continue to view the school website for updates. We will get through this together, be safe and Thank you again.
