### **Parent and Family Engagement – Parent Policy**

**2019/2020**

SEE will take the following actions to involve parents in the joint development of its district wide parental involvement with the parent and family engagement plan under section 1112 of the ESEA:

SEE will take the following actions to involve parents in the process of school review and improvement under section 1116 of the ESEA:

SEE will provide the following necessary coordination, technical assistance, and other support to assist Title I, Part A schools in planning and implementing effective parental involvement activities to improve student academic achievement and school performance:

SEE will provide a compliance overview of Title 1, Part A parent involvement regulations as well as effective parent engagement resources to assist in strengthening our parental involvement programs.

Each campus has a parent room which includes computer access for the use of materials available for ways to use different strategies to academic resources at home.

Our Parent Teacher Organization (PTO), now referred to as Family Engagement is active at all campuses. The Family Engagement membership is open to students, parents, family, community members, business partners, and stakeholders. The Family Engagement members are added support to the enhancement and growth of the academic growth and success of our students. SEE also has a partnership with local universities, colleges and professionals who volunteer with specific academic real world experiences to present, lecture, demonstrate and visit their various professions as exposure for current relevant engagement to our students and for parent involvement activities.

In support of strengthening student academic achievement each campus will provide a series of parent involvement activities and meetings. SEE will distribute information to parents via handouts, meetings with agenda of subject matters accompanied with sign in sheets, websites for parent involvement added knowledge of Title 1 laws and to include compliance webinar services, and parent notification letters.

Listed below are parent involvement activities, meetings and planned sessions of academic enrichment provided at different grade levels in the district.
